APPROVES TENTATIVE BUDGET

Action Makes Possible Statement to Divisions Prior to Opening of Schools of Funds to Be Apportioned Session for Session.

Three new school superintendents were appointed yesterday at the meeting of the State Board of Education, which was held in the offices of the Superintendent of Public Instruction. Considerable other routine business was transacted by the board, which approved a tentative budget of apportionment of all school funds to the school to divisions of the State. This action is expected to make many school matters simpler, and to place the system on a safer financial basis.
